COMPANY PROFILE

Who We Are

Suresh Enterprises is a wholesale suitings distribution business, family-owned and rooted in Bhilwara, Rajasthan — India's textile manufacturing hub — with a market legacy dating back to **1985**. We bridge India's premium textile mills and institutional B2B buyers, supplying suiting & uniform fabric in bulk to garment manufacturers, corporates, hospitals, hotels, schools, industries, security agencies and housekeeping companies nationwide.

Please note: Suresh Enterprises supplies fabric only — we do not stitch or manufacture finished uniforms. Our fabric is supplied to manufacturers & institutional buyers who convert it into uniforms.
